WELCOME TO THE ATHENS WALKING TOURS!

DESPINA
Co-Founder

- I have been a professional guide (English & German) since 1979.
- I graduated from the Greek National College for Guides and the Capernwray Bible School.
- I was working for the largest international tour operators for many years. It was 2004 when I decided I had enough of the bus tours and needed to do something different. So, I decided to start doing Walking Tours only in small Groups in Athens!
- With my experience I hand picked the best guides and with my team we have created amazing tours and activities for everyone visiting Athens and Greece.
